ABOUT THE ENTERPRISE CENTER AT SALEM STATE COLLEGE

The Enterprise Center at Salem State College is both a **business incubator** where startup small businesses may lease space in the center's building and a **virtual center for entrepreneurs** throughout the North Shore at every stage of business development. The Center provides small business owners with the knowledge they need to maximize their business skills, monthly CEO groups, and other initiatives designed to lead to success whether companies are just starting out, growing, or fighting for market share in a tough economy.

The Enterprise Center manifests the **commitment of Salem State College** to be a **major force in the economic and cultural development** of the North Shore and to serve as a regional catalyst to address economic issues on the North Shore. The Center is committed to:

- Developing, retaining, and attracting businesses of all sizes to this region
- Increasing employment opportunities in our region
- Supporting the growth of the pool of skilled workers
- Meeting the needs of small business to develop business skills
- Assisting growth companies to find funding through venture breakfasts and annual business plan competition
- Growing the creative economy sector of the region
