ABOUT THE CENTER

The Enterprise Center at Salem State College is a small business incubator and a virtual center for entrepreneurs throughout Boston's North Shore. We serve businesses at every stage of development from startup through growth. We offer more than 70 [programs](#) a year --most of them free-- to small business owners and nonprofit managers; plus we lease office space and host numerous other popular programs including the [128 Venture North](#) Breakfast series, the Million Dollar Women (sm) , and the annual [North of Boston Business Plan Competition](#)
