BANK WE WORK WITH YOU

Meet women at the helm of non-profit organizations with gross revenues of more than \$1,000,000. They'll share the challenges they faced and overcame on their way up the not-for-profit ladder—or over the bridge from the for-profit world. They'll answer your questions, drawing on their own experience and wisdom. Most important, they'll empower you with the message that has made them and their organizations successful. Millions and Missions—how to have it all!
