BANK WE WORK WITH YOU

Meet women at the helm of non-profit organizations with gross revenues of more than \$1,000,000. Learn about the challenges they faced and overcame on their way up the not-for-profit ladder—or over the bridge from the for-profit world. They'll answer your questions, drawing on their own experience and wisdom. Most important, they'll empower you with the message that has made them and their organizations successful.
