## SPRING RECREATIONAL LEAGUE

Registration is open to all girls in Grades 1–7 who live in Newton or attend a Newton public school. To register, please visit our web site, no paper registrations will be mailed this year, unless requested.

We know that quality coaches are the key to our successful youth softball program. We are fortunate that so many of our coaches return each year but we are always in need of new coaches, especially in grades 1–4. If you have ever thought about coaching but are not sure what it entails or the many tools available to support you, contact Doug Clott at [doug@newtongirlssoftball.org](mailto:doug@newtongirlssoftball.org). PLEASE consider this important role and step up to the plate!

## SPRING & SUMMER PANTHERS

The Panthers travel teams are a significant step up in competition from the recreational league. Players are selected based upon ability, commitment, and attitude by a panel of Panther coaches.

We will field a 12u & 14u Spring Panther team playing Sunday doubleheaders at 11:00 & 1:00 pm. We will field Summer Panther teams for ages 8u, 10u, 12u, 14u, and 18u.
